📁 Employment History

Frontend Developer at Italos, New York City

August 2022 — January 2023

- At Italos, I work as a frontend developer. My role involves creating and implementing user interface components and designing engaging and user-friendly web interfaces. I utilize various frontend technologies such as React and Bootstrap to build interactive and responsive websites. I collaborate with the design and development teams to ensure a seamless user experience.

Frontend Developer at Akashi, Germany

March 2023 — May 2023

- At Akashi, I am employed as a full stack developer. In this role, I am responsible for both frontend and backend development. I work with a range of technologies, frameworks, and programming languages to build robust and scalable web applications. I collaborate with cross-functional teams to design, develop, and deploy innovative software solutions.

Software Developer at Upwork, Kigali-kicukiro

June 2022 — Islay 2023

- Managed multiple freelance projects simultaneously, meeting tight deadlines and exceeding client expectations

🎓 Education

High School, Rwanda Coding Academy, Nyabihu, Rwanda

September 2022 — June 2025

At Rwanda Coding Academy, I am currently studying software engineering and embedded systems. The academy provides a comprehensive curriculum and hands-on training to develop my skills in coding and programming. I am learning various programming languages, software development methodologies, and techniques to build robust and efficient software solutions.

Ordinary Level, Ecole Des Sciences Byimana, Ruhango, Rwanda

January 2019 — July 2022

During my time at Ecole des Sciences Byimana, I completed my ordinary level education with a focus on sciences. The school offered a well-rounded curriculum that included subjects such as mathematics, physics, chemistry, and biology. I gained a solid foundation in scientific principles and problem-solving skills during this period.

Primary Level, Ecole Le Petit Prince, Kigali-kicukiro

January 2013 — November 2018

At Ecole Le Petit Prince, I completed my primary education. This school provided a nurturing environment for learning and personal growth. Throughout my time there, I gained a solid understanding of various subjects, including languages, mathematics, social sciences, and natural sciences. It was a foundational period in my educational journey.
